Our achievements until now

So far, the following have been created:

- E-Privacing Roadmap
- Data Protection
- e-Privacing manuals for teachers and students
- e-Privacing guide

The analysis of GDPR and NDP Laws in PCs are in progress and soon we will have the results.

On this September all partners met in Athens (TPM3) at Ellinogermaniki educational Institute and discuss all issues about the next steps.

Our next steps:

Our next steps are to complete the Instructional design and prepare the English course. Also, an Internal testing should be happened and translate the platform in Greek and Roman after the pilots. Regarding the multiplier events will take place in December 2022.
